FOR IMMEDIATE RELEASE (Bohemia, NY, August 15, 2005)

Scientific Industries Announces Addition of Bellco Biotechnology® Product Line

Scientific Industries Inc. (OTCBB-SCND), August 15, 2005 –Scientific Industries announced today that it has agreed to add Bellco Biotechnology spinner flasks and other laboratory glassware to the product line currently offered by the Company to its customers. Bellco Biotechnology, a supplier of specialized and general laboratory glassware, has over 65 years of experience serving the laboratory industry .

“In laboratories, Bellco Biotechnology glassware products are frequently used together with Scientific Industries products; both brand names are well respected for their individual technologies”, noted Chere Griffin, Director of Sales and Marketing at Scientific Industries. “We expect this addition will increase our visibility in the global market.”

About Scientific Industries

Scientific Industries manufactures and markets laboratory equipment, including the world-renowned Vortex-Genie® 2 Mixer. Scientific Industries’ products are used by research laboratories, clinics, pharmaceutical manufacturers, medical device manufacturers, and other industries.

“Statements made in this press release that relate to future events, performance or financial results of the Company are forward-looking statements which involve uncertainties that could cause actual events, performance or results to materially differ. The Company undertakes no obligation to update any of these statements. Readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as to the date hereof. Accordingly, any forward-looking statement should be read in conjunction with the additional information about risks and uncertainties set forth in the Company’s Securities and Exchange Commission reports, including our annual report on Form 10-KSB.”
