FOR IMMEDIATE RELEASE (Bohemia, NY, June 1, 2005)

Scientific Industries Announces Addition of Qorpak® Product Line

Scientific Industries Inc. (OTCBB-SCND), June 1, 2005 - Scientific Industries today announced pursuant to an understanding with Qorpak, a division of All-Pak, Inc., a supplier of laboratory consumable products, that the Company will add Qorpak laboratory glassware and apparel to the products offered by the Company. Qorpak has over 25 years of experience serving the laboratory industry with packaging and other consumable products.

Chere Griffin, Director of Sales and Marketing at Scientific Industries stated, "Scientific Industries and the 'GenieTM' brand are well respected for its mixing and shaking technologies. The addition of strong Qorpak consumable brands to its growing product line provides the Company with the opportunity to develop and expand its typical market reach. We're excited to be working with Qorpak and look forward to strengthening our relationship."

About Scientific Industries

Scientific Industries manufactures and markets laboratory equipment, including the world-renowned Vortex-Genie[®] 2 Mixer. Scientific Industries' products are used by research laboratories, clinics, pharmaceutical manufacturers, medical device manufacturers, and other industries.

"Statements made in this press release that relate to future events, performance or financial results of the Company are forward-looking statements which involve uncertainties that could cause actual events, performance or results to materially differ. The Company undertakes no obligation to update any of these statements. Readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as to the date hereof. Accordingly, any forward-looking statement should be read in conjunction with the additional information about risks and uncertainties set forth in the Company's Securities and Exchange Commission reports, including our annual report on Form 10-KSB."
