FOR IMMEDIATE RELEASE (Bohemia, NY, September 19, 2011)

Scientific Industries Reports Fiscal Year Results

Scientific Industries Inc. (OTCQB-SCND), September 19, 2011 - Scientific Industries Inc., reported net income of \$227,600 (\$.19 per basic share) on net sales of \$5,869,800 for the fiscal year ended June 30, 2011 compared to net income of \$539,700 (\$.45 per basic share) on net sales of \$7,070,100 for the prior fiscal year.

The fiscal 2011 results reflect the operating loss and lower sales for the Catalyst Research Instruments Operation, despite the achievement by the Benchtop Laboratory Equipment Operation of record sales and profit. The Catalyst Research Instruments Operation has been affected by a reduction of customer funding for research and development which has continued into the current fiscal year, due in large part to what the Company believes is the general economic uncertainty.
